2. 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

M: The tickets for 'In the Universe' are all sold out.

W: It's a very popular movie.

M: How about watching another one?

3. 다음을 듣고, 남자가 하는 말의 목적으로 가장 적절한 것을 고르시오.

M: Hi, everyone. I'm very happy to have this precious time with you. I've been working as a dentist for over twenty years. And whenever I meet young patients with serious dental problems, I've wanted to let them know how to keep their teeth healthy. Most cavities and gum diseases are caused by bad habits while brushing your teeth. When brushing, you should divide your mouth into four sections and spend 30 seconds on each. Brush the outer and inner tooth surfaces thoroughly along your gum lines. Brushing more than three times a day is not ideal, because you can damage your gums. I'll show you the proper process with a cartoon.

4. 대화를 듣고, 두 사람이 하는 말의 주제로 가장 적절한 것을 고르시오.

M: Yes, you should. Do you know how to care for a cactus?

W: Actually, that's what I was meaning to ask you.

M: First of all, light is essential.

W: Then, I'll place it by a window. And how often do I have to water it?

M: Most people think cactuses can survive with little water. But they need regular watering from spring to fall.

W: Oh, I see. Anything else?

M: In winter, you should keep it indoors.

W: Thanks. I'll remember that.

W: I believe the movie is going to be a big hit.

M: I hope so. Recently, I found the perfect scenario for my next film.
I'm thinking of you in the starring role.

W: What is the role like?

M: She is an Alzheimer's patient who is losing her memory at a young age.

W: Oh, no way. The last time I played a cancer patient, I had to lose 10 kilograms.

M: But you won't have to this time. I bet once you read the scenario, you'll love it.

W: Yeah, I placed it there so the audience can hear the actors' voices clearly.

M: Aha! What are the umbrellas in front of the door for?

W: When the actors dance, they will swing them cheerfully.

M: It will be fantastic. Those two long swords on the wall look really nice, too.

M: Sounds nice. Where will the show be held?

W: At the convention center.

M: I'd love to go. The convention center is only a ten-minute walk from my place. When will it start?

W: They will have an opening ceremony at noon on Saturday.

M: Then I'll definitely go. How much is the admission fee?

W: A little expensive. It's 20 dollars but I'm sure it'll be worth it. Some special events will also be held as part of the show.

W: Let me check. (*Pause*) Umm... It'll cost \$30 each and they will take about a week to arrive.

M: Okay, good. But these three packages must be delivered much faster. In three days at the latest.

W: Then you'll need express service for these. The charge will be \$50 each.

M: Alright. But I'm worried because they're fragile.

W: Then you can buy insurance for them.

W: Why is it so high?

M: Obviously, it's because we left our air conditioner on all month long.

W: Well, but it's really hot and humid. I don't want to sweat all summer just to save a little money.

M: I understand. But honey, it's way over our budget for this month.

M: Look, no one's voluntarily standing up for her.

W: I don't know her. And I was on the subway first.

M: Lilly, imagine she is your grandmother.

W: Hmm... I would make room for my grandmother because she is an angel to me.
