ANN: 이제 시작하겠습니다.

1번 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

M: Sally, look at the fish in this picture.

W: Let's see.... It's a Bubble Eye, isn't it?

M: Right. How did you know that?

W: _____.

2번 대화를 듣고, 여자의 마지막 말에 대한 남자의 응답으로 가장 적절한 것을 고르시오.

W: Excuse me, can I take photos inside the museum?

M: I'm sorry, but it's not allowed.

W: What a pity! I really wanted to take pictures of these statues.

M: _____.

3번 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

M: Ms. Parker, will you be able to help me prepare for the parent-teacher meeting next Friday?

W: Sure. What do you want me to do?

M: Make the banner for the meeting. Are you free after lunch?

W: _____.

4번 다음을 듣고, 남자가 하는 말의 목적으로 가장 적절한 것을 고르시오.

M: Hello, everyone. I have an announcement to make before I begin class. As you know, we have been using idea.com to post assignments and other information about this course. However, idea.com has notified their users that they'll start charging rather expensive fees to use the site. So I've decided to change the site we'll use for assignments to class.com. I'll be moving all of the course information and materials to the new site over the weekend. So starting next week, you should use this new site when submitting assignments.

5번 대화를 듣고, 여자의 조언으로 가장 적절한 것을 고르시오.

W: Hi, Craig. Where have you been?

M: I just got back from the lost-and-found because I lost my wallet.

W: Did you get it back?

M: No, they didn't have it. So, I had to make several calls to report lost credit cards.

W: I'm sorry to hear that. Hey, that reminds me of something funny I read in the morning newspaper.

M: What was that?

W: Well, according to the article, keeping a picture of a baby in your wallet increases the chances of getting your lost wallet back.

M: Really? Why is that?

W: The article said a picture of an infant in a lost wallet triggers an honest reaction from the finder.

M: That makes sense. I'll try it.

W: It certainly won't do any harm.

6번 다음을 듣고, 여자가 하는 말의 요지로 가장 적절한 것을 고르시오.

W: Hello, everyone. Last time, we looked at the brightness and size of stars. Today, we'll continue to talk about stars, focusing on an interesting fact. Have you ever heard that stars have a voice of their own? It's unbelievable, but it's true. Stars make very low sound waves which tell us lots of things about them. A scientist claims that through the sounds of stars we could get various information about them. The sound waves tell us the size, age, and structure of stars. In other words, different stars make different sounds. Isn't it interesting?

7번 대화를 듣고, 두 사람이 하는 말의 주제로 가장 적절한 것을 고르시오.

W: Ted, how did the debate go yesterday?

M: Ms. White. I didn't do very well because I was so nervous.

W: Sorry to hear that.

M: I don't think I'm a good debater.

W: Don't be so hard on yourself. It was your first try.

M: Ms. White, how can I improve?

W: Ted, when you debate, you need to show that your ideas are based on factual information.

M: You mean I shouldn't just use emotional appeals?

W: Right. For example, giving numbers and statistics is a good way to do that.

M: I see. Anything else?

W: And to make your arguments look more convincing, you should give good examples that support your ideas.

M: Thank you, Ms. White.

8번 대화를 듣고, 두 사람이 대화하는 장소로 가장 적절한 것을 고르시오.

W: Hey, Jerry. How are you feeling today?

M: Hi, Clara. Not too bad. But I have to stay here for three more days.

W: All of your classmates are worried about you.

M: Thanks. I should be well soon.

W: You must be bored being stuck in bed all day.

M: Yeah, there's not much to do, so I just read books and watch television.

W: Hey, I saw a poster for a magic show for patients in the lounge.

M: Really? When is it?

W: This afternoon. The show is going to start in an hour.

M: Good. After the nurse changes my bandages, let's go see it together.

W: Sure.

9번 다음 도표를 보면서 대화를 듣고, 두 사람이 잘못 설명하고 있는 항목을 고르시오.

M: Jennifer, this graph shows how many students are enrolled in introductory courses this semester.

W: Does it? Which course has the most students?

M: Economics. It has about twice as many students as chemistry.

W: Interesting! There are almost a hundred students enrolled in biology including me. Jeff, what course are you taking?

M: Psychology. I'm very interested in the subject.

W: Great! There are more than one hundred fifty people taking that course.

M: That's a lot. Well... it looks like the sociology course will be canceled.

W: Really? Why?

M: There must be at least forty students for a class to be held, but sociology has less than forty students.

W: Oh, Kate is enrolled in it. I'll let her know right now.

10번 대화를 듣고, 여자가 대화 직후에 할 일로 가장 적절한 것을 고르시오.

[Cell phone rings.]

W: Hello?

M: Hi, honey. Are you home?

W: Yes, I just got back from taking the kids to school. What's up?

M: I'm booking the train tickets online for our vacation, but I left my wallet on the kitchen table.

W: Wait a minute. [pause] Oh! Here it is.

M: Great! My credit card is in the wallet. Can you tell me the number and expiration date?

W: It'll be easier if I just text them to you.

M: That's a good idea. Thanks, honey.

W: No problem. By the way, I'm going shopping for a new pair of shoes for the trip. Do you need anything?

M: No. If I do, I'll call you.

11번 대화를 듣고, 여자가 남자에게 부탁한 일로 가장 적절한 것을 고르시오.

M: Jenny, you look upset. Is anything wrong?

W: I got a C on my project for social studies again.

M: You worked very hard on it. You must be very disappointed.

W: I am. I don't see any problems with my project.

M: Hmm, how did your presentation go?

W: Well, that's what bothers me. I was very nervous speaking in front of the class.

M: Maybe that was the problem. You need to be more confident when giving a presentation.

W: Easy for you to say. You won the first prize in the school speech contest.

M: With the right kind of practice, you can improve your presentation skills.

W: Really? Can you help me?

M: Sure. What are friends for?

12번 대화를 듣고, 여자가 채식주의자가 된 이유로 가장 적절한 것을 고르시오.

M: Hi, Ellie. Long time no see.

W: Hi, Matt. How are you?

M: I'm fine. You look like you've lost some weight.

W: Do I? That's probably because I've been eating only vegetables these days.

M: Really? I heard Tommy is now a vegetarian, too. He says it's for health reasons.

W: That's usually why people do it.

M: Is that also the reason why you became a vegetarian?

W: Well, not really. I just wanted to do something for the global food shortage.

M: I don't get it. How does eating vegetables help the global food shortage?

W: Simple. It takes a lot of grain to feed the animals we eat. That grain could be used to feed starving people in poor nations.

M: Oh, I see.

13번 Ritchie Valens에 관한 다음 내용을 듣고, 일치하지 않는 것을 고르시오.

M: Today, I'd like to introduce a famous musician, Ritchie Valens, who changed American pop culture. He was a Mexican-American singer-songwriter and guitarist. He was brought up listening to traditional Mexican music. He began writing music when he was only five. He was encouraged by his father to take up the guitar. When he was 16, he was invited to join a local band. He quit high school in order to focus on music. He made several hits, most notably "La Bamba," originally a Mexican folk song. He died in a plane accident when he was only 17. His story has been made into several movies.

14번 대화를 듣고, 남자가 지불할 총 금액을 고르시오.

W: Hello. May I help you?

M: Yes. I'd like to place a large order for T-shirts.

W: Good. Please come this way, and I'll show you some sample T-shirts.

M: Okay. *[pause]* I like this one. How much is it?

W: Short-sleeved shirts are \$8 each.

M: I see. Do you have any in the same color but with long sleeves?

W: Yes. Long-sleeved T-shirts are \$10 each.

M: I see. I'd like to order 100 short-sleeved T-shirts.

W: Okay, anything else?

M: I'd like to have my club name printed on the T-shirts. How much do you charge for it?

W: It normally costs an additional dollar for each T-shirt but there is no additional printing cost for an order of 100 or more.

M: Wow! That's good.

【15-16】 다음을 듣고, 물음에 답하십시오.

M: Hey, Natalie. What are you doing?

W: Hi, Ben. I'm reading a very interesting article on walking analysis.

M: Walking analysis? I've never heard about that. Tell me more about it.

W: It's a way to identify people by the way they walk. Recently, it has attracted attention because it even works with low-quality CCTV recordings.

M: Sounds interesting. But can it really identify a person?

W: Sure. The analysis also uses the shadows a person makes to help with the identification.

M: But in order for CCTV footage to be used for the analysis, doesn't the camera angle have to be just right?

W: No, it doesn't. I read there's a way to lower the error rate at any angle.

M: Good! Banks will be able to identify bank robbers by analyzing their walking styles.

W: That's right! Some banks are considering using this technology to enhance security.

M: Great!

W: Besides, a company already developed a smartphone application sounding an alarm when the owner walks differently. It could help prevent phone robbery.

M: That's cool!

15번 두 사람이 하는 말의 주제로 가장 적절한 것은?

16번 대화에서 언급된 분석 방법에 관한 내용과 일치하지 않는 것은?

17번 다음 표를 보면서 대화를 듣고, 두 사람이 선택한 축제를 고르시오.

W: Hey, honey. We're still planning to take a trip this winter, right?

M: Of course! Did you get the information on winter festivals?

W: Yes, I printed out a brochure from a website about winter festivals. Take a look at it.

M: Let me see. Well, I can't get any time off in February. So it'll have to be one of these three.

W: Okay. And you know, Brian is really looking forward to ice-fishing.

M: I know. So it should be included in the program of the festival.

W: And we both love the spa.

M: That's true, but we can go to the spa anytime. Why don't we just do winter sports with Brian?

W: Okay. I guess that decides it then.

M: I'll tell Brian about it. He'll love it.

18번 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

W: Good morning, sir.

M: Hi. I'm Steve Brown in Room 804.

W: Yes, Mr. Brown. How can I help you?

M: I was wondering if it's possible to use the Internet in my room.

W: Normally you can, but it's not available at the moment.

M: I see. Can I use the Internet in the lobby then?

W: No, I'm sorry but the Internet is down throughout the entire hotel.

M: Why? What happened?

W: Our main server was damaged during the heavy rainfall last night.

M: Do you have any idea when it will be restored?

W: Not until this afternoon.

M: That's too late! I have an urgent email to send.

W: _____

19번 대화를 듣고, 여자의 마지막 말에 대한 남자의 응답으로 가장 적절한 것을 고르시오.

M: Why the long face, Kelly?

W: I'm afraid I can't go to the rock concert with you.

M: What's wrong? We've been waiting for it for months.

W: [*sighs*] Can you keep a secret?

M: Sure. What is it?

W: I lost the money my mom gave me to buy the concert ticket.

M: That's terrible! Did you tell your mom about it?

W: No, I didn't. I'm afraid telling the truth may disappoint her.

M: What if your mom asks about the concert later? It will make things worse.

W: Do you think so? What should I do?

M: _____

20번 다음 상황 설명을 듣고, Jade가 Matthew에게 할 말로 가장 적절한 것을 고르시오.

W: Jade is planning to take a trip to Sweden next week. She's really excited but the only thing she is worried about is the language. So, she buys a traveler's guide book containing basic Swedish expressions. There are many useful words but she has no idea where to start because she cannot even read them at all. Suddenly, she remembers her friend Matthew. He used to live in Sweden when he was young. Jade wants to ask how to pronounce Swedish words and how to use those words in a conversation. So she calls him. In this situation, what would Jade most likely say to Matthew?

Jade: Matthew, _____
