W: You look so fashionable today, Freddie. What are you dressed up for?

대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

M: How may I help you? Is there something wrong with your GPS navigation device?  
W: Yes, I just can't type in some letters. It seems part of the screen is dead.  
M: Let me take a look. Hmm.... It should work fine if the screen is replaced, but it'll take about half an hour.

다음을 듣고, 남자가 하는 말의 목적으로 가장 적절한 것을 고르시오.

[Chime bell rings.]

M: Good evening, residents. Welcome again to our new apartments. I'm Mark Johnson from the apartment maintenance office. We've been replacing the lights in your living rooms after finding that they all have problems. As we mentioned on the bulletin board, we visited each household last Saturday but only about 40% of the replacements were done because many residents were not at home. So we are planning to visit those who did not get a replacement once again between 2 and 5 o'clock this Saturday afternoon. We hope all of you get the new lights this time. Thank you and we are very sorry for the inconvenience.

다음을 듣고, 여자가 하는 말의 주제로 가장 적절한 것을 고르시오.

W: A lot of people nowadays are very attached to their smart devices like smartphones or tablets. They even bring them into the bathroom when they brush their teeth. There is no doubt that this new technology has given us pleasure we hadn't experienced before. But if you habitually carry these devices to bed late at night, it's time you gave it a second thought. According to recent studies, the powerful "blue light" from our portable electronic screens can lead to sleep disorders. Exposure to blue light can make us feel more awake because our body associates it with daytime. It has also been shown to suppress melatonin, a hormone that helps regulate sleep. It may be time to consider placing your smart devices away from your bed starting tonight.

대화를 듣고, 두 사람이 하는 말의 주제로 가장 적절한 것을 고르시오.

W: Brad, today's class was so interesting, wasn't it? I can't wait for our next biology class.

M: I agree. I didn't know there are so many wrinkles in and on our bodies.

W: The brain, lips, and knees. They all have wrinkles.

M: Right! I thought I wanted to remove all the wrinkles on my body because I thought they'd make me look old.

W: Yeah, I didn't know wrinkles do such important jobs.

M: Me, neither. We can bend our knees because we have wrinkles on them.

W: And we can hold things because we have wrinkles on our hands.

M: That's right. It's amazing.

W: If I got rid of all my wrinkles, I couldn't live a normal life.

M: You can say that again! We learned some very interesting facts about wrinkles today.

W: Sure. My negative ideas about wrinkles turned into positive ones.

대화를 듣고, 여자의 의견으로 가장 적절한 것을 고르시오.

W: Hi, Matt. How's the preparation for your presentation going?

M: Oh, hi, Julie. I'm almost done. Do you want to take a look at my visual aids?

W: Sure. *[Pause]* Wow, the slides look so colorful, but they seem a little too wordy, don't you think?

M: I just tried to put in as much information as possible for the audience.

W: When it comes to visual aids, the simpler, the better.

M: But I thought more information would help the audience to understand my presentation better.

W: I think quite the opposite. They won't like to sit there trying to read all those small letters on the screen.

M: Do you really think so?

W: Yeah, I know so. The job of your visual aids is to support your presentation, not the other way around.

대화를 듣고, 두 사람의 관계를 가장 잘 나타낸 것을 고르시오.

[Telephone rings.]

M: Hello? Chris Browder speaking.

W: Hello, Mr. Browder. This is Sarah Davis.

M: Oh, hi, Ms. Davis. What can I do for you?

W: I have good news for you. Your book *Leading a Healthy Life* has sold more than 10,000 copies already.

M: That's great! I didn't expect that many would sell.

W: We think you deserve this. From a survey we did, we found lots of readers began regular exercise after reading the book.

M: Good to hear that. People nowadays do need to do more exercise for their health.

W: They sure do. Anyhow, I also called you to ask if you're interested in renewing our contract for a second printing.

M: That's another great piece of news. I appreciate the offer.

W: Thank you, Mr. Browder.

대화를 듣고, 여자가 남자에게 부탁한 일로 가장 적절한 것을 고르시오.

M: The weather is getting warmer and warmer.

W: Yes, it is truly spring now. Why don't we go ride our bikes in the park?

M: But there was something wrong with the chains when we checked our bicycles the other day. Remember?

W: Yeah, right. We need to have them repaired as soon as possible.

M: Okay. I'll call the repair shop and ask them if they can handle it now.

W: But it's Sunday and I don't think the shop is open.

M: Then why don't we go inline skating instead? The skates are in the garage, right?

W: Yes, but they must have got lots of dust on them during all those winter days. Would you mind cleaning them up?

M: No problem. I'll make them look like new right away.

W: Thank you.

W: Hello. How may I help you?

M: I'm looking for a shirt that'll go with my blue jeans.

W: Okay. What about these ones? These are all new products this year.

M: Oh, I like that black shirt. Does it come in green as well?

W: I'm sorry. That style only comes in black or white.

M: Well, that's okay. I think black goes well with blue, too.

W: It surely does. What size do you wear?

M: Medium.

W: Oh, we are currently out of medium ones. I'm terribly sorry.

M: When do you expect to have more in stock?

W: I suppose we'll have more in a few weeks. What about this sweater instead? This style is on sale now.

M: No, thanks. I'll come back again some time later.

W: I'm very sorry again.

W: Well, how much is the monthly fee?

M: It's \$100 a month. But you can get a 10% discount if you get a three-month membership.

W: A three-month membership sounds fine. Do I have to pay in a single payment?

M: Yes, ma'am. Did you know we have a great spa facility here, too?

W: I heard you do. Do I have to pay more for the spa?

M: Yes. But if you combine it with your three-month membership, it'll be only \$60.

W: Now that I think about it, I don't think I like spas that much. I'll save the money.

M: Okay. Only a three-month membership for the gym. How would you like to pay?

W: With my credit card. Here you go.

M: Hey, Amy. Look at this website. Dishwashers are on sale.

W: Great. I've wanted to get one for a long time.

M: I know. Which one do you think we should get?

W: I think smaller ones are better because our family isn't very big.

M: Okay, then we should choose from the ones with a standard size.

W: What about the heated dry option?

M: I think we'd better choose one with that option.

W: I agree. That'll definitely keep our dishes cleaner.

M: Yes. And the delay start feature looks convenient, too.

W: Delay start? What is that?

M: This says it allows us to set the machine to run at a later time.

W: Well.... I don't think that's quite necessary. We won't use it that often.

M: You're right. It doesn't seem it's worth an additional \$50.

W: Then we're left with only one choice. Let's take this one.

M: Joanne, your new place is really nice.

W: Thank you. I really like it, too.

M: Oh, what is that, a fishbowl? Those goldfish are lovely.

W: Yes, they are. My cousin gave them to me as a house warming present.

M: I thought you told me you hate fish.

W: I did. But they were a present. So I decided to keep them.

M: I see. So are you getting along well with the fish?

W: Yeah. They even wag their tails whenever I walk by the bowl.

M: Is that so? Do they say "I love you" to you?

W: I'm not kidding! I'm pretty sure they recognize me.

M: Okay, okay. It's amazing that even such little creatures recognize the one who feeds them.

W: It truly is. But I'm worried about them because soon I'll have to be away for a week-long business trip.

대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

W: Mr. Kim, I saw something very interesting today.

M: What was it, Linda?

W: I saw my coworkers buying and selling their dreams in the office this morning.

M: Ah! Maybe you hadn't experienced that in your country. What kind of dreams did they buy and sell?

W: One of them said he had dreamed of holding pigs in his arms and another man tried to buy the dream.

M: Didn't you think it was interesting? That's because dreaming of pigs is considered a good sign.

W: It looked fun, I suppose. But it also sounds a bit superstitious to me.

M: Sometimes you can bring yourself good luck by buying dreams. I once won some money after I bought a lucky dream.

W: How can it be possible to buy a person's dream?

M: Believe me, Linda. It works. Why don't you give it a try?

다음을 듣고, 물음에 답하십시오.

M: There are plenty of reasons why getting off the couch and into physical activities like sports is a good thing. Our bodies are like cars and they need to move to function well. When you think about the advantages of playing sports, your first thought is probably that sports improve your physical fitness and prevent diseases like heart disease. But lots of research shows that participating in sports helps your mind as well as your body. For example, studies among both amateur and professional swimmers have shown that those who go swimming often experience less tension, depression, and anger after a session in the pool. Numerous studies also show that tennis enhances emotional health and leads to improved confidence and lower levels of depression. Many people agree that especially team sports like soccer or basketball can teach you how to work and have positive interactions with others. Some even say one of the best things about playing a team sport is that it helps develop one's inner self.
