10월 고3

1. 대화를 듣고, 남자가 선택한 모자를 고르시오.

W: Good afternoon, sir. Can I help you?

M: Yes, please. I'd like to buy a hat for hiking this summer.

W: Come this way. We have a large selection of hats. How about this cap?  
It's practical, and young people like it.

M: Well, it only protects the face. I'd like one that protects my neck and  
shoulders from the sun as well.

W: Then what about this one? It has a neck flap. It'll cover your neck and  
shoulders.

M: Hmm.... I don't like the design. The flap is too much. A round wide-brimmed  
hat would be good enough.

W: I see.... We have two types of wide-brimmed hats. Which one would  
you like more, the one with a chin strap or the one without?

M: I'll take the one with a chin strap.

W: Excellent choice. I'll go get your size.

2. 대화를 듣고, 여자의 심정으로 가장 적절한 것을 고르시오.

M: Good morning, Karen. Did you sleep well last night?

W: No, Dad. I was up all night in anticipation of getting my cast off today.

M: No wonder. You've been wearing the cast for several months now.

W: Yes, three months. I've been wearing it since I broke my arm during soccer practice.

M: It's been quite a long time. You have a lot of get-well messages on your cast. What are you going to do with it when it gets taken off?

W: I think I'll keep it as a souvenir.

M: Do you have plans to do something special after you get it removed?

W: I'm going to buy some clothes with Mom. There's a photo shoot next week.

M: Oh, what for?

W: We're taking a class photo for the 2013 school yearbook.

M: Well, that worked out nice—getting your cast off before the class photo.

W: Yes, it sure did.

3. 다음을 듣고, 남자가 하는 말의 주제로 가장 적절한 것을 고르시오.

M: Hello. I'm Dr. Goodwill for *Today's Health Tips*. One common disease among adults in their middle ages is type II diabetes. However, you can prevent diabetes by changing your lifestyle. The easiest and most basic step is to change your diet. Foods such as vegetables, fruits, beans, and nuts can help. Another step is to make yourself more physically active. Walking for thirty minutes every day reduces the risk of developing diabetes considerably. Also, losing weight can help. A little bit of weight loss can add up to a diabetes-free life. With these positive steps, you can stay healthier longer and reduce your risk of diabetes. I'll be back tomorrow. Have a good day!

4. 대화를 듣고, 남자가 여자를 위해 할 일로 가장 적절한 것을 고르시오.

M: Natalie, are you coming to Jack's farewell party?

W: Of course I am. He's been such a good friend.

M: I know. I'm going to miss him a lot.

W: Me, too. But we can always exchange emails and keep in touch with him, right?

M: Yes. Are you going to give him a farewell present?

W: Actually, I'm making a scrapbook of our friendship for him.

M: How creative! Can I take a look at it when you're finished?

W: Sure. By the way, do you still have the photo of Jack and us taken at the School Festival two years ago?

M: I think I do. Do you want me to look for it?

W: Yes. I think I lost mine. It's the very first picture that we took together. I want to put it in the first page of the scrapbook.

M: Okay. I'll try to find it.

W: Thanks. It would mean a lot to me.

5. 대화를 듣고, 남자가 추가로 지불할 금액을 고르시오.

W: Mr. Brown, how did your wife like the bag you bought her?

M: Actually, I brought it back. I didn't know she has the exact same bag.  
Can I get an exchange?

W: Sure. The bag was \$200. What would you take in exchange?

M: Hmm... How much is this necklace?

W: It's \$180. It just arrived this morning.

M: It'll look good on my wife. I'll take it.

W: Great. Is there anything else you want?

M: Let me see. *[Pause]* How much are these earrings?

W: They're \$50. They would go well with the necklace.

M: Okay. I'll take them, too.

W: Good choice. Since you're returning the bag, you only need to pay the difference.

M: That's \$200 off my total purchase of the necklace and the earrings, right?

W: That's right.

6. 다음을 듣고, 여자가 하는 말의 목적으로 가장 적절한 것을 고르시오.

W: A heat wave is spreading across the country and we usually turn on air conditioners to deal with the heat. But while electricity is convenient to use, there's a problem we must notice here. As the demand for electricity is rapidly rising, we can come to a red alert because of a lack of energy supply. We recently experienced a sudden blackout due to a serious shortage of electricity. This is why we're now going to have an emergency response drill for a potential blackout. Next Thursday at 2 p.m., we ask you to turn off every cooling appliance and all unnecessary lights for thirty minutes. We expect your active participation in this drill. Thank you.

7. 대화를 듣고, 남자가 여자에게 부탁한 일로 가장 적절한 것을 고르시오.

W: Hey, are you all set for your backpacking trip to Europe?

M: Yes, my friends and I have planned everything.

W: You must have done a lot of research. How many countries are you visiting?

M: We're going to five countries: Spain, France, Italy, Germany, and England.

W: Sounds like fun! How are you going to travel between them?

M: Mostly by train. We're trying to keep a tight budget.

W: Speaking of that, do you know that many train companies offer discounts to groups of five or larger?

M: I know. I wish there was one more person to join us. We're just a group of four.

W: Well, actually, my cousin, Steve, is also going to Europe for the vacation.

M: Really? Can you ask him if he's interested in joining us?

W: Okay. I'll ask him and let you know.

M: Thank you. It would save money for all of us.

8. 대화를 듣고, 두 사람이 대화하고 있는 장소로 가장 적절한 곳을 고르시오.

W: Don't you think we came too early? There are only a few people here.

M: We still have three hours left, but this way we can get good seats.

W: Is this really a good seat? There's absolutely no shade in this section.

M: But you can see the players really well from here.

W: Have you been here before? You know a lot about this place.

M: Sure. I've been coming here since I was in elementary school. It was my childhood dream to be there on the ground.

W: Do you know why they have a net here? It's blocking my view.

M: Without the net, we could be seriously injured if a ball came flying over the fence.

W: I see. Oh, look at those girls! I guess they're dancing to their team song.

M: Yes, you're right. They're rehearsing before the game starts.

W: They're good. Now, let's go get some hotdogs.

M: No, let's get them later during the game. For now, let's just have some ice cream.

9. 대화를 듣고, 두 사람의 관계를 가장 잘 나타낸 것을 고르시오.

W: Now, would you like to see some samples of kitchen floor tiles?

M: Sure. Show me what you have.

W: Here's a dark blue one. It can hide food stains better than these other light-colored ones.

M: Hmm.... I don't know. It doesn't seem to go well with the kitchen walls.

W: Then, how about this brown one? It'll make your kitchen look cozier.

M: I think these brown tiles would make a good match with the kitchen furniture, so I'll go with this color.

W: Great. Now, we're all set.

M: When can you start working? I need the renovation to be done by the end of this month.

W: We can manage that. But why all the rush?

M: My wife is coming back from her trip in two weeks. I want to surprise her with a new kitchen.

W: No problem. I'll make sure everything is beautiful before she can come back.

M: Thank you.

10. 대화를 듣고, 남자가 할 일로 가장 적절한 것을 고르시오.

M: Oh, my! I can't find my memory stick.

W: Really? Are you sure you had it with you?

M: I most certainly did, but what can I do now? There are many important files on the memory stick.

W: Take it easy. Where did you put the memory stick? In your pocket?

M: Yes. I'm sure it was in my pocket.

W: Then, you may have dropped it when you took out your wallet.

M: Oh, maybe you're right. When I paid the bill at the cafe.

W: Why don't you call the cafe? A phone number is usually on the receipt.

M: I threw it away on the way out.

W: Then, you have no other choice but to go there.

M: Right. I'll go over there right away and look for the memory stick myself. I hope it's there.

W: Good luck.

11. 다음 표를 보면서 대화를 듣고, 두 사람이 신청할 패키지 상품을 고르시오.

W: Honey, what do you think about getting cable TV and Internet service at our home?

M: Good idea. I always wanted to watch cable TV.

W: Me, too. Here we have several options.

M: Let me see. Hmm.... I think we should have at least one hundred channels or more.

W: Of course. Having a wide selection of channels to choose from would be nice.

M: I want to make sure I get to watch the latest movies.

W: I'd like that, too. We won't have to go to the theater. What about home phone service?

M: Do we really need that?

W: I'm not sure. We don't have any problem using our own cell phones.

M: Then let's not get that. Now we have two options left.

W: Why don't we get the cheaper one? I'm sure we won't need all of the two hundred channels.

M: Okay. Let's call the cable company right now.

W: I think it was somewhere near Exit B.

③ M: Excuse me. Do you need any help pushing the car?

W: Yes, please. It's right in front of my car and it won't move.

④ M: Mom, can you drop me here? I'll walk the rest of the way.

W: Okay. I'll meet you at the parking lot later.

14. 대화를 듣고, 여자의 마지막 말에 대한 남자의 응답으로 가장 적절한 것을 고르시오.

*[Cell phone rings.]*

M: Jamie, where are you?

W: I'm still with Emily at her place. I asked her to go to the mall with me, but she refused.

M: Ask her again! If we are going to throw her a surprise party, we've got to get her out of her house first and quick.

W: I'll do my best. By the way, did you pick up the cake and snacks?

M: I did. I also texted everyone to gather at Emily's place at seven p.m. sharp.

W: They should be on their way by now.

M: Why don't you pretend that you don't feel well, and ask her to take you to the doctor?

W: What do I do after we get to the doctor's office?

M: Tell her that you suddenly feel fine and then come back. By that time, all of us will be waiting for you guys inside her house.

W: Sounds like a good plan, but do you think it will work?

M: \_\_\_\_\_

15. 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

M: Linda, what's up? You look upset.

W: The theater just texted me to let me know that the main cast for today's performance of *Romeo and Juliet* has been changed.

M: That's too bad. I've been longing to see Tom Green and Mary Smith play the main roles.

W: You can say that again. They are known to be the best.

M: Then who will be in their spots for today's show?

W: Paul Parker and Anna Jones. I haven't heard of them.

M: Me, neither. What are we supposed to do? Do you still want to go?

W: Not really. How about you?

M: I don't want to go, either. Let's ask for a refund.

W: As far as I know, they don't refund the tickets on the day of the show.

M: But this is a special case. They changed the cast on us.

W: \_\_\_\_\_

16. 대화를 듣고, 여자의 마지막 말에 대한 남자의 응답으로 가장 적절한 것을 고르시오.

W: Look at this girl in the picture. Isn't she cute?

M: She's adorable! Who is she?

W: She's the girl I'm currently sponsoring every month. She lives in South America.

M: Wow, that's very compassionate of you! How do you sponsor her?

W: I give some money to an organization every month on her behalf.

M: What does the organization do with your money?

W: They provide mainly school education and medical attention. Many children in her country are too poor to go to school.

M: I see. Does she know about you, too?

W: Sure. We exchange letters and photos with the help of the organization.

M: That's nice. What made you decide to do this?

W: I saw a celebrity on TV one day. He was talking about how happy he was to be a sponsor of so many children. It really touched me.

M: \_\_\_\_\_

17. 다음 상황 설명을 듣고, Sarah가 Brian에게 할 말로 가장 적절한 것을 고르시오.

W: All the school clubs are giving auditions to recruit new members. Sarah is president of the school choir. She arranged for a large audition for potential new members of the choir and is in the middle of conducting it. While she listens to the songs being sung by the applicants, she comes across an impressive singer, Brian. Sarah tells him that he has a remarkable voice, but that she thinks his voice is more suitable for rock than for the choir. She remembers that the school rock band is looking for a new vocalist. She's pretty sure that Brian will make a great vocalist in the band. In this situation, what would Sarah most likely say to Brian?
