M: Sounds interesting. So did you find a proper model?

W: No. Can you help me?

M: Sure. How about the ones without a propeller? They're easy to make.

W: Well, I prefer the models that have a propeller and rubber bands.

M: Then, what type of wings do you prefer?

W: These round-ended wings look more effective in flight.

M: Good choice!

W: Kenneth, look at this one. It doesn't have front wheels.

M: Hmm.... But without front wheels, the propeller may get damaged when it lands.

W: That makes sense! Then, I'm going to choose this one.
