M: Right. We need to buy one.

W: Um, what about the one with wheels? We can easily move it from place to place for feeding.

M: Maybe you're right. But we won't move it very often.

W: Then, let's choose one without wheels.

M: Sounds good. [Pause] Oh, how about this one with a tray?

W: A tray? I don't think Amy needs it. We can put food on the table for her.

M: Okay, then what about this one? I think a seatbelt is necessary for her.

W: Yes. Amy's so active. She needs to wear it.

다음을 듣고, 무엇에 관한 설명인지 고르세요.

M: This is one of the ways to take lessons by yourself. You can choose courses you want to study online. The lessons are recorded to video, audio or both, then uploaded to the Internet. You can learn anywhere in the world, at any time you wish as long as you have access to the Internet. You can also review lessons whenever you want. However, you can not interact with the teacher face to face. So, it may not be easy to ask questions and get the feedback from the teacher immediately. And you should follow your lesson plan.
