1. 대화를 듣고, 두 사람이 선택한 배우를 고르시오. [1점]

M: Maria, could you look at these files and photos?

W: We need to choose an actor for the supporting role. Which one do you like?

M: Well, all of them look okay... but, how about the man with the tie?

W: No. The role requires a younger looking person, I think.

M: Then, how about the man with the really long hair?

W: I don't think so. He doesn't have much acting experience. And, the man with no hair... seems too tough for this part.

M: Then, we have two men left. But the man with the mustache looks too old for the role.

W: Yes, I like the other one because he looks young and would be good for the role. Besides, I like his smile.

M: Okay. I'll give him a call and let him know that he has an audition.

2. 대화를 듣고, 여자의 심정으로 가장 적절한 것을 고르시오.

M: Hi, Susan. What's up?

W: I went to see a fortune-teller yesterday.

M: What did you ask her?

W: Well, I asked her if I would meet a handsome guy and fall in love.

M: What did she say?

W: She said, "Absolutely!" In fact, she said that I'm already friends with him.

M: That's why you look happy today.

W: But he hasn't asked me out on a date yet.

M: Maybe he's afraid you'll say no.

W: Well, he'll never know until he asks, I guess.

M: That's true. So, Susan, do you want to see a movie tonight with me?

W: Finally! I've always wanted you to ask me out.

3. 다음을 듣고, 남자가 신문을 선호하는 이유로 가장 적절한 것을 고르시오.

M: Among the many ways to obtain information, I prefer the newspaper. I can pick the newspaper and articles I like, choose when and where to read, and purchase current information anywhere. In addition, I can ignore advertisements which aren't relevant to me. As a newspaper reader, I can actively acquire information rather than sit passively in front of a TV being told what I should know. By managing information input, I can understand the news much better from the newspaper than other media.

4. 대화를 듣고, 여자가 남자에게 사오라고 부탁한 것을 고르시오.

W: John, you can't pack the cups with the books.

M: I wrapped them with a lot of newspaper. They'll be fine.

W: No, I've had those cups a long time. I don't want to take any chances.

M: Well, where should I put them?

W: Here. Put them in this box and write 'Fragile' on the top.

M: Okay, but we're running out of tape and boxes.

W: I agree. Why don't you drive over to the store and buy some tape? You can also get some boxes for free there.

M: Okay. Do we need anything else while I'm at the store?

W: No, that's it. Don't forget your wallet.

5. 대화를 듣고, 두 사람이 선물을 산 후 오늘 갈 곳을 고르시오.

W: Dad, are we going to the concert in the park today?

M: It may be cancelled due to rain.

W: Then, can we go shopping? Next Wednesday is Mom's birthday. She wants a summer hat.

M: That sounds good. Let's go downtown and buy a nice hat for Mom.

W: Good. Can we have lunch downtown after that?

M: Okay. Let's go to the new Chinese restaurant.

W: Great! And I was wondering... When can we go to the Railroad Museum? You promised to take me there soon.

M: We'll go there on our way to Grandma's house next week.

W: Thanks, Dad.

6. 다음을 듣고, 여자가 한 말의 목적으로 가장 적절한 것을 고르시오.

W: I would like to say a few words tonight about a man who has been with this company for several years. He is an excellent leader and a creative problem solver. He works selflessly towards goals. In 2004, he headed a research team that launched one of our most successful products to date. We considered many people for this position. However, this man is clearly the individual we need to head this division. Therefore, ladies and gentlemen, I am proud to call to the stage your new International Manager, Adam Lee.

W: I haven't found accommodations yet.

M: No problem. Have you been there before?

W: No, it's my first time. Could you find a hotel close to the theater district? I plan to see some musicals there.

M: Okay. Here's the Park West Hotel. It's within walking distance. The room rate is 100 pounds a night, including tax.

W: That's a bit more than I want to spend. Could you search for a cheaper hotel?

M: Here's one, the Hampton Hotel. You can stay there for 75 pounds per night..., but sorry, there are no rooms available.

W: Well, then, please reserve a room at the Park West for two nights.

M: Okay, you're all set.

W: Excuse me, does this bus go downtown?

M: No. I go as far as Rosedale, then I head back south.

W: What would be the best way to get downtown from Rosedale?

M: Well, you can transfer to bus number 31 or 16. They both go downtown from where I turn around.

W: Which would you recommend? I'm just visiting, and I'd like to take a scenic route.

M: The number 31 takes Memorial Drive, beside the river. It's quite nice. I used to drive that route.

W: How long have you been working for the city?

M: Well, 17 years now. This is your stop, Rosedale. Here, take this transfer. With this, you won't have to pay for the next bus. And, remember, it's number 31.

W: Thanks, and sorry for bothering you.

M: It's no bother. I enjoy talking with my passengers.

9. 대화를 듣고, 두 사람이 대화하고 있는 장소로 가장 적절한 곳을 고르시오.

W: I'll be right back.

M: No, honey. We're really in a hurry. Our flight leaves at 5:15 and the boarding will begin soon.

M: Sure. Why?

W: I'm not sure if you heard, but I quit working for the newspaper and started writing children's books.

M: Wow! That sounds fantastic. Congratulations!

W: Thanks. It's going well, but I really need some illustrations. I've always thought that you're a talented artist. Could you help me out?

M: Well, I would need to read the story first, of course. But, I'm definitely interested.

W: That's great. Why don't we meet with my publisher next week, say, on Wednesday at around 2 p.m.?

M: Sure. I'll get my portfolio ready and see you then.

M: Right after the end of the Vietnam War. And then he started his second career as a flight instructor.

W: Yeah. But it was more violent than I expected.

M: I thought you like action thrillers. You mean it was too much even for you?

W: Yeah. I think movies are becoming too violent, especially these days.

M: What do you think the reason is? Do you think the movies are being influenced by how violent society has become?
